

ICT DEPARTMENT – A REPORT (2013-2014)

During the visit of NAAC the peer team members had recommended maximal use of ICT based teaching. Following the direction of NAAC Peer Team Members and looking at the need of the hour the college initiated in establishing a separate Information & Communication Technology Department. Separate infrastructure was erected for the department and the appointment of eligible operator was done.

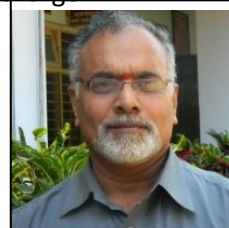

This department was inaugurated at the hands of Principal Dr. Sanjay Poharkar on 1st August 2014 on the eve of the Death Anniversary of Lokmanya Tilak.

The teachers were given a minimum target of ICT based teaching classes. The teachers and students found it so convenient and useful that the target achieved was 156% plus.

The ICT department helped the students as well as teachers in computer literacy and assisted Department of English in creating the Email IDs of all the students of B.A. III because Writing Email is a part of their syllabus. Along with this the department conducted many inter disciplinary activities.
