PART A :-

We are pleased to present the Annual Quality Assurance Report of our college for the year 2009-2010. All efforts have been made to make this report an objective document of the developments taking place in the college during 2009-10. We are making continuous efforts towards ensuring continuous quality improvement of our services and products. This report is an effort to put it in brief.

The first accreditation introduced us to an arena of quality sustenance and enhancement has been initiated in the college. We are trying our level best to understand the various aspects of managing a knowledge imparting institution and incorporating a concern for quality in the educational service to the community. We hope that this report reflects the spirit of our endeavour.
