PART A :-

We are pleased to present the Annual Quality Assurance Report (AQAR) of our college for the year 2010-2011. All efforts have been made to make this report an objective document of the developments taking place in the college during 2010-11. We are making continuous efforts towards ensuring continuous quality improvement of our services and products. This report is an effort to put it in brief.

The annual exercise of stock-taking of the developments and performance over the year is a good learning experience for the individual stakeholders of the college as well as the institution as a whole. Apart from being a summary overview of the yearly journey, the AQAR has been a valuable lesson for us.

The first accreditation introduced us to a arena of quality sustenance and enhancement has been initiated in the college. We are trying our level best to understand the various aspects of managing a knowledge imparting institution and incorporating a concern for quality in the educational service to the community. We hope that this report reflects the spirit of our endeavour.
